Switch To A Better Place

P R E M I U M - M O D U L A R - R A N G E

About us ?

Precision. Performance. Reliability.

At **RA AXCEL**, we are proud to be a leading manufacturer of high-quality switches engineered for durability, efficiency, and safety.

With decades of industry expertise,

Our Story

Founded in 1989, our journey began with a commitment to producing superior electrical switch solutions that meet the evolving demands of modern industries.

What started as a small operation has grown into a trusted brand known for innovation, technical excellence, and dependable service.

Our Mission

To design and manufacture reliable, cutting-edge switch solutions that power innovation across industries and support our customers' success with exceptional quality and service.

Our Vision

To be the most trusted name in switch manufacturing worldwide, setting benchmarks in technology, sustainability, and customer satisfaction.

LIGO

Our most premium range of modular switch plates, switches and accessories made from strong, sturdy materials that are easy to install. After extensive market wide research we have developed a set of wiring devices that you need at a price you are ready to pay that will in turn enhance the look and feel of your home or office. Make it magnificent with out LIGO Range.
